AKC National Owner-Handled Series

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form.

Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS.

Eligible dogs will be identified by an asterisk in the judge's book, steward's book and the catalog. Dogs must be handled throughout the breed level competition for the regular show by an eligible owner.

Professional handlers*, household members and current assistants** to professional handlers may not exhibit the dog in any NOHS competition during the entire show. For a detailed description of the National Owner-Handled Series, please visit the AKC website NOHS pages at:

<https://www.akc.org/sports/conformation/national-owner-handled-series/>

**Professional handlers are defined as any person who belongs to or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.*

***A current assistant is defined as anyone employed by a professional handler on a full-time basis or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS.*
